

## Retiree Rx Plan Comparison

| TEWF  | Medicare Part D  |
|---|--|
| After \$500 of Out-of-pocket per family -<br>\$0.00 Generic co-pay /<br>\$8.00 Brand co-pay | Rx in Excess of \$5,100 (per person) -<br>Plan Pays 95%  |
|   | After \$2,250 of Rx - Plan Pays \$0.00<br>for next \$2,850 (per person) of Rx<br> |
| \$20 Brand co-pay &<br>\$10 Generic co-pay<br>Up to \$500 Out-of-pocket per<br>family       | Next \$2,000 (per person) of Rx -<br>Plan Pays 75%   |
|   | First \$250 (per person) of Rx -<br>Plan Pays \$0.00   |

- You will pay more under a Medicare Part D Plan. Note the Medicare Plan contains what they call the "Donut Hole". There is a gap in coverage.
- Per family means a member, their spouse, and eligible dependents, if any.
